No interior selections yet? I'll suggest a concept that fits the house, and you choose. It's included in the room price. It's a picture for selling, not a full interior design.

How payment works

I invoice through Mellow, a US payment company. You pay Mellow in US dollars, and Mellow pays me.

The invoice comes from

Solar Staff Corp. (Mellow)
One World Trade Center, floor 85, New York, NY 10007
Delaware State File No. 5879268 · office@mellow.io · mellow.io

ACH transfer

From any US bank account.

Wire transfer

A regular bank transfer in US dollars.

1. You get the invoice by email, with the bank details and the amount.
2. You pay by ACH or wire. The payment description starts with the invoice number.
3. Mellow confirms the payment, and I start the work.

> Please use the bank details printed on that invoice.
>
> Bank fees are paid by the sender. Checks are not accepted.
>
> Mellow may ask you for a W-9 once.
>
> Once an invoice is paid, the rights to the images pass to you in full.
